Multi-Factor Authentication is made up of three parts: an image, a pass phrase and three challenge questions no else knows. When you are at your computer, enter your Access ID and then click the Submit button. We will show your Authentication Image and pass phrase, which verifies that you are at the valid Online Banking site at Bank of Steinauer. Now you know it is safe to enter your password. When you are signing in from a different computer, we ask one of you challenge questions to verify your identity. The secret Authentication Image and Pass Phrase will appear after you answer correctly. You know it is safe to enter your Password and Login; and we know that it is really you.

Fee Schedule. There is no monthly service charge for Online Banking and Bill Payment services.

Your Password. Each individual who has access to Online Banking, including each individual named on joint accounts, must designate a password and an ACCESS ID. Your ACCESS ID cannot be your account number. Your ACCESS ID and PASSWORD should be a minimum of 6 characters and include letters and numbers. The letters are case sensitive.
